

INSTITUTIONAL VERIFICATION DOCUMENT

Your 2017-2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected, you and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit that form and other required documents to the UACCM Financial Aid Office. We may ask you for additional information. If you have any questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
